Building our Parish Community

“For it is in giving that we receive.” -St. Francis of Assisi

Thank you to our parishioners for responding to our initiative to increase the number of donors to our Project Advance Appeal. Currently, we have received **donations/pledges from 24% of our parishioners/** parish families and have **raised \$62,756** towards our parish **goal of \$125,000.**

In these difficult financial times, every donation to support our parish, regardless of the amount, is important and will make a difference. If you have not yet donated, we ask that you please give prayerful consideration to making a donation, within your own means, to this year’s Project Advance appeal. All further donations will fund our own parish projects to help people in need, to support spreading the good news of our faith and to improve our church.

Donations can be made online at support.rcav.org/project-advance/ , through the parish office or by placing an envelope marked ‘Project Advance’ in the Sunday collection.
