STEWARDSHIP REFLECTION

"I have competed well; I have finished the race; I have kept the faith." (2 Timothy 4:7)

How many of us can say this? St. Teresa of Calcutta said, "God doesn't call us to be successful, he calls us to be faithful." How many times have we been blinded by the success of the world at the expense of our faith? Matthew Kelly says, "Take one minute each day to remind yourself that you are just passing through this life and will die one day; you will live more intentionally with a passion and purpose."

PROJECT ADVANCE 2025

"Make me a channel of your peace.

Where there is despair in life, let me bring hope." Prayer of St Francis

Thank you to our parishioners who have made a gift to this year's Project Advance appeal. Every gift is important and provides vital support for the projects and services of our Archdiocese and our parish.

Together, we have raised and pledged about \$48,000 towards our goal of \$100,000. We have met our Archdiocesan goal of \$35,300. All further funds will be returned to our parish. This year we hope to install new carpeting throughout the building, refurbish the downstairs washrooms, and continue to support our youth ministry activities.

We encourage all parishioners to prayerfully consider a donation, within their own means, to this year's appeal. Your generosity will turn hope into action. It will make it possible for our ministries to grow, for our schools to thrive, and for our parish to be a place where everyone feels at home.

May God bless everyone.
