News in and around the Parish

"Let us train ourselves to recognise hope. ... We will then be able to be beacons of the future for those around us." Pope Francis—Nov 6 2024

As we prepare to enter the final parish phase of our **Project Advance 2025** Appeal let us all keep in mind the hope which our faith offers. We can be beacons of hope by joining in our parish Project Advance initiatives to support our young people, to help spread the good news of our faith, and to maintain our church, so that it is a welcoming space for all who come here.

Every gift, regardless of the amount, is important and gratefully received. We will have a table at the Masses the weekend of November 8/9 to accept donations, which also can be made through the Sunday collection, at the parish office, or online: www.projectadvance.ca —May God bless everyone.
