PARENTAL STATEMENT

Dear PREP Families,

Parents are the primary educators of their children, especially in the faith. We appreciate and feel blessed that you're sharing this important role with us. At Baptism parents make a solemn commitment to raise their children in the practice of the faith. Families need to actively participate in the life of the Church, especially at Sunday Mass. Parents support the PREP curriculum by participating in parent sessions and working with their children at home. They ensure that their children attend class regularly, are prepared and have completed assigned work. Parents cooperate with the Catechist and the Pastor to promote the best possible learning experience for their children, one centered on faith.

Thank you and looking forward to collaborating on your child's faith journey. May God bless all our families!

I consent to having St. Anthony's Parish collect personal information that may include student identification information, Baptism, Reconciliation and Communion certificates, parent work and cell numbers and e-mail address, catechism and health information, emergency contact name and number and any similar information needed for registration.
