Stronger Together

PROJECT
ADVANCE
2026

We are now in the final phase of our parish appeal. A heartfelt thank you to our donors to date. With the generosity of 16% of our registered households, we have raised \$61,000. This sum includes the funds (\$35,900) which the Archdiocese has requested to support people in need in our wider community. The balance of the funds raised, and all further donations received this year will support our own parish projects. The roof of our church will require replacement in the not-too-distant future. Project Advance will be the source of funding for this undertaking.

We encourage everyone who has not yet had the chance to donate to prayerfully consider supporting our parish. Donations can be made in the church foyer this weekend, through the parish office. Donations can also be made online at www.projectadvance.ca, where monthly donations are a convenient option and your 2026 income tax receipt is processed more quickly. Every gift, regardless of the amount, strengthens our parish and is gratefully received.

May God bless you for your generous support.
