Choir Motiv repertoire includes sacred music, Slovenian folk songs, and a variety of choral works. For their visit to St. Anthony's Parish, Choir Motiv has selected a program of Slovenian devotional music and traditional liturgical choral works.

Everyone is invited to join us for this special occasion and experience the prayerful gift of music they bring!

The Anointing of the Sick will be followed by a light brunch in the Parish Hall hosted by the CWL.

***"Therefore I tell you, do not be anxious about your life, what you will eat or what you will wear, nor about your body, what you will put on. Is not life more than food and the body more than clothing?"* Matthew 6:25-26.**

***"As I have done for you, you should also do."* John 13:15.**

As we celebrate Thanksgiving, let us take time to reflect on the many blessings God has given us: our time, our talent, our treasure and our parish community. We can offer thanks and enrich our lives through prayers and by taking tangible action to support our parish and the mission of our Catholic faith.

This year our Project Advance goals are to increase the rate of our parish participation, so that we all support each other. Our financial goal is to raise $150,000. We are now in the final phase of our appeal and thus far we have raised $65,500 with donations from 19% of our registered households. From the funds raised $35,900 has been reserved for our Archdiocese. All further funds raised this year will support our own parish projects. Every gift, regardless of the amount will make a difference and will strengthen and unite our parish community. Please take time to prayerfully consider a donation to our community appeal, as your own means will allow.

Your gift can be made at the back of the church this weekend, at the parish office, through the collection basket (please indicate Project Advance) or online at www.projectadvance.ca . Monthly donations are a convenient option. May God bless.
